The Saks Store

The Question—What to Give?—Answers—Calore.

The very busyness of The Saks Stores these days is significant. It bespeaks a thoroughness of preparation—and an accurate reading of the public mind's conception of what are ideal gifts. As day by day the demand becomes greater and the strain more tense the realization of what a strong commercial organization this is grows more apparent—is more to be appreciated. In every feature, competitive or not, we true-ize the promise—CHEAPEST FOR THE BEST.

Ladies' Tailor-Made Jackets.

Cut in price? Yes—and deeply, too, for we are determined this month of December shall end with no more garments on hand than we would have had had October and November been the months they should have been. Or why not make gifts of them? We believe you will take the time and thought from the holiday shopping long enough to give yourselves the advantage of such pitifully offered values.
